REPRINTS / EPRINTS

Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave behinds, new product launches, formulary kits, and much more. They are a welcome educational service to physicians, nurses, pharmacists, and other healthcare providers. Reprints/ePrints help your sales force speak to clinicians with knowledge and relevance. We can also recommend related articles to create a comprehensive review package for your customers. Reprints of articles and custom reprints are available.
