

MORE WAYS TO REACH YOUR AUDIENCE

CHEST Physician is the official newspaper of CHEST (the American College of Chest Physicians). Readers rely on *CHEST Physician* for breaking news and insightful commentary—in a clear, concise, accessible format—that can be used daily in practice. Over 17,000 specialists in pulmonary disease and critical care medicine rely on *CHEST Physician* every month in print and every day online to cover the world of medicine with breaking news, on-site medical meeting coverage, and expert perspectives. Launched in partnership between CHEST and Frontline Medical Communications, *CHEST Physician's* independent reporting keeps specialists up to date with the latest clinical and practice economics news, and provides news from CHEST to keep members informed on educational opportunities and policy initiatives. All news articles are researched, written, and produced by professional medical journalists. Expert review articles and News from the College are provided through the expertise of CHEST.

CHEST Physician's website, www.mdedge.com/chestphysician, is the online multimedia destination of *CHEST Physician*. This site provides news and views that matter to cardiopulmonary and critical care specialists in a timely and interactive format. With award-winning daily news coverage, physicians can get immediate information online. *CHEST Physician* is the best way for physicians to stay current, save time, and gain perspective.
