

MORE WAYS TO REACH YOUR AUDIENCE

GI & Hepatology News is the official newspaper of the AGA Institute. Nearly 18,000 gastroenterologists and hepatologists rely on *GI & Hepatology News* every month to cover the world of medicine with breaking news, on-site medical meeting coverage, and expert perspectives both in print and online. The official newspaper of the AGA Institute was launched in partnership with Frontline Medical Communications in January 2007. Our independent reporting focuses on impacting the way gastroenterologists practice medicine and news from the AGA Institute keeps active members up to date on educational opportunities and policy initiatives. All articles are researched, written, and produced by a full-time staff of professional medical journalists.

GI & Hepatology News, www.mdedge.com/gihepnews, is the online destination of *GI & Hepatology News*. This site provides news and views that matter to physicians in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, videos, and special reports are immediately accessible online and through e-blasts and newsletters. *GI & Hepatology News* is the best way for physicians to stay current, save time, and gain perspective.
