

Pediatric News

MDedge® | Pediatrics

MORE WAYS TO REACH YOUR AUDIENCE

For 54 years, *Pediatric News* has been the leading independent newspaper for pediatricians. With specialty-focused news and insightful commentary—in a clear, concise, accessible format—*Pediatric News* keeps busy physicians up to date on clinical advances that impact their daily practice of medicine. *Pediatric News* is published monthly and circulates to nearly 61,000 specialists in pediatrics, pediatric infectious diseases, and pediatric nurse practitioners. All articles are researched, written, and produced by professional medical journalists.

Pediatric News can be found online at www.mdedge.com/pediatrics. This site is updated throughout the day with news that includes expert clinician commentary on how the news affects medical practice in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, and special reports are immediately accessible online and through e-blasts and newsletters. Physicians can engage online by sharing articles via social media such as Facebook and Twitter. *Pediatric News* is the best way for pediatricians to stay up to date, save time, and gain perspective.
