

# Rheumatology News

## MDedge® | Rheumatology

*Rheumatology News* is the leading independent newspaper for the practicing rheumatologist. With specialty-focused news and insightful commentary—in a clear, concise, accessible format—*Rheumatology News* keeps busy rheumatologists up to date on clinical advances that impact their daily practice of medicine. *Rheumatology News* is published 18 times per year (twice monthly in March, April, May, September, October, and November) and circulates to over 8,000 rheumatologists and selected internists. All articles are researched, written, and produced by professional medical journalists.

*Rheumatology News* can be found online at [www.mdedge.com/rheumatology](http://www.mdedge.com/rheumatology). This site is updated throughout the day with specialty-specific news. Breaking news, on-site medical meeting coverage and insightful commentary—in a clear, concise, accessible format—are immediately accessible online and through e-blasts and newsletters. *Rheumatology News* is the best way for physicians to stay up to date, save time, and gain perspective.
