## RATES & DISCOUNTS

Effective Date: January 1, 2022

- AGENCY COMMISSION:** Fifteen percent of gross billing on space, color, cover, preferred position, and mechanical charges. Withdrawn on accounts not paid within 30 days of invoice date. No cash discount. A finance charge of 1.5% per month will be applied to all past-due invoices.
- RATE SUBJECT TO CHANGE WITH 90 DAYS' NOTICE:** Contracts accepted with the understanding that rates will be guaranteed for 3 months beyond last issue closed. In the event of a rate increase, contracts may be terminated without penalty of short rate.

### Earned Rates

- EARNED FREQUENCY:** Rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page (e.g. a spread counts as 2 units; a king page or fraction counts as a page). Each page of an insert counts as a unit. Each demographic/regional/split page counts as a unit. Insertions of parent companies and subsidiaries are combined to determine the earned rate. Co-marketed products may select the earned frequency discount of either company.

### Incentive Programs

- CORPORATE FREQUENCY DISCOUNT PROGRAM:** Earned frequencies are determined by the number of pages in all FMC publications to provide maximum frequency discounts to advertisers, regardless of size. When number of insertions is greater or less than indicated by contract, rates are adjusted accordingly. (All FMC publications have the same frequency levels through the 240x. JFP, FPN, and IMN extend to 396x.)

- CORPORATE DISCOUNT:** Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from Frontline Medical Communications (FMC) in 2022. Full year 2021 NET spend with FMC will establish the minimum discount levels for all advertising purchased in 2022. All manufacturer promotional spend will be credited towards the corporate level, including electronic and print advertising, reprints and programs (nonCME). Discounts will be applied to print advertising only purchased in regularly issued FMC professional publications. The FMC Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts). Spend levels and associated discounts are:

2021 Net Spending	\$150K	\$250K	\$500K	\$750K	\$1.0M	\$1.5M	\$2.0M	\$3.0M+
Earned 2022 Discount	0.5%	1.0%	1.5%	2.0%	2.5%	3.0%	4.0%	5.0%

### Combination Buys

- Advertise the same product in the same month in any TWO OR MORE FMC publications and receive a 7.5% discount off the earned rate in each publication (B&W and color). The PowerBuy™ discount (see separate rates) supersedes this program; additional discounts are not applied to these publications. PowerBuy™ (Family Practice News® + Internal Medicine News®) counts as 1 publication. Except for PowerBuy™, combination discounts are applicable to full-run only.
- Evaluate FMC cross market combinations by Media Group in Kantar's MARS Medical System by selecting Combination Non-Duplicated. Combinations not currently programmed can be upon request.
- Additional journal specific discounts/incentives (continuity or new business/launch, etc.) are available. Choose either the continuity program or the new business/launch program when using a combination buy. See Full Integrated Media Kit and Rate Cards available at [frontlinerrates.com](http://frontlinerrates.com).

## REPRINTS / EPRINTS

Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave behinds, new product launches, formulary kits, and much more. They are a welcome educational service to physicians, nurses, pharmacists, and other health care providers. Reprints/ePrints help your sales force speak to clinicians with knowledge and relevance.
