

# Clinical Psychiatry News®

## MORE WAYS TO REACH YOUR AUDIENCE

*Clinical Psychiatry News* is the leading independent news source for the practicing psychiatrist. Readers rely on *Clinical Psychiatry News* for daily, specialty-specific news and insightful commentary in a clear, concise, accessible format. The print edition of *Clinical Psychiatry News* is published monthly and circulates to nearly 39,000 psychiatrists and child psychiatrists. All articles are researched, written, and produced by professional medical journalists.

*Clinical Psychiatry News* can be found online at [www.mdedge.com/psychiatry](http://www.mdedge.com/psychiatry). Each day, our award-winning news coverage is updated and includes physician commentaries that add perspective on how the news matters to the way psychiatrists practice. Columns and commentaries, videos, podcasts, and special reports are immediately accessible online and through e-blasts and newsletters. Psychiatrists can join the conversation through online commentary on articles, and via social media sharing through Facebook and Twitter. *Clinical Psychiatry News* is the best way for psychiatrists to stay current, save time, and gain perspective.
