RATES & DISCOUNTS

Effective Date: January 1, 2020

- **AGENCY COMMISSION:** Fifteen percent of gross billing on space, color, cover, and preferred position charges. Withdrawn on accounts not paid within 30 days of invoice date. A finance charge of 1.5% per month will be applied to all past-due invoices.

- Rates subject to change with 90 days’ notice: Contracts accepted with the understanding that rates will be guaranteed for 3 months beyond last issue closed. In the event of a rate increase, contracts may be terminated without penalty of short rate.

**Earned Rates**

- **EARNED FREQUENCY:** Rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page (e.g. a spread counts as 2 units; a king page or fraction counts as a page). Each page of an insert counts as a unit. Each demographic/regional/split page counts as a unit.

- Insertions of parent companies and subsidiaries are combined to determine the earned rate. Co-marketed products may select the earned frequency discount of either company.

- Publisher guarantees uniform rates to all advertisers using same amount and kind of space.

**Incentive Programs**

- **CORPORATE FREQUENCY DISCOUNT PROGRAM:** Earned frequencies are determined by the number of pages in all FMC publications to provide maximum frequency discounts to advertisers, regardless of size. When number of insertions is greater or less than indicated by contract, rates are adjusted accordingly. (All FMC publications have the same frequency levels through the 240x. JFP, FPN, and IMN extend to 396x.)

- **CORPORATE DISCOUNT:** Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from Frontline Medical Communications (FMC) in 2020. Full year 2019 NET spend with FMC will establish the minimum discount levels for all advertising purchased in 2020. All manufacturer promotional spend will be credited towards the corporate level, including electronic and print advertising, reprints and programs (nonCME). Discounts will be applied to print advertising only purchased in regularly issued FMC professional publications. The FMC Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts). Spend levels and associated discounts are:

**COMBINATION BUYS AND MARKETDUOS:**

- Advertise the same product in the same month in any TWO OR MORE FMC publications and receive a 7.5% discount off the earned rate in each publication (B&W and color). The PowerBuy™ discount (see separate rates) supersedes this program; additional discounts are not applied to these publications. PowerBuy™ (Family Practice News® + Internal Medicine News®) counts as 1 publication. Except for PowerBuy™, combination discounts are applicable to full-run only.

- Evaluate FMC cross market combinations by Media Group in Kantar’s MARS Medical System by selecting Combination Non-Duplicated. Combinations not currently programmed can be upon request.

- Gain maximum specialty reach, duplicated and unduplicated, when you advertise the same product in the same month and surround your ad with the optimal blend of clinical and medical news content and receive a 7.5% discount off the earned rate (B&W and color) in each of these MarketDUOs published by FMC: DermDUO | Cuts® + Dermatology News®; ObGynDUO | OBG Management® + Ob.Gyn. News®; PsychDUO | CURRENT PSYCHIATRY® + Clinical Psychiatry News®. In the Family MedicineDUO, receive a 15% discount off the earned rate (B&W and color) in The Journal of Family Practice® + Family Practice News®. Full-run only.
RATES & DISCOUNTS (CONTINUED)

Additional journal specific discounts/incentives (continuity or new business/launch, etc.) are available. Choose either the continuity program or the new business/launch program when using a combination buy. See Full Media Kits available at frontlinerates.com. Full-run only.

CHOOSE EITHER THE CONTINUITY OR NEW BUSINESS/LAUNCH PROGRAM (IF NOT USING A COMBINATION DISCOUNT):

⦁ **CONTINUITY PROGRAM:** Current Psychiatry® advertisers:
  Buy 5 ads, get the 6th at half price (50% off the earned B&W and color rate). Continuity program applies to 12-month period of January 2020 through December 2020 (or 12 month fiscal year where applicable). Advertisers will be short rated if discount is not earned.

⦁ **NEW BUSINESS OR LAUNCH INCENTIVE PROGRAM:** Established products that have not run in Current Psychiatry® during 2019 OR new launch products, indications, and formulations can qualify for the new business or launch program. Advertise in 3 consecutive months and earn a 50% discount on the ad unit insertion in the 4th month (same size or smaller). Prelaunch ad units do not apply.

⦁ **PRESCRIBING INFORMATION (PI) PAGE DISCOUNTS:** Advertisers with more than two PI pages qualify for a 50% discount on the earned B&W rate for the 3rd and remaining pages.

⦁ **ORDER OF PRINT AD DISCOUNTS (AS APPLICABLE):** 1) Corporate earned frequency; 2) Journal Combination; 3) Journal list match; 4) New business or launch; 5) Journal continuity; 6) Corporate discount; 7) Agency discount.

⦁ **PREPAYMENT PLAN:** An optional prepayment program is available. Contact Sharon Finch, Publisher, at sfinch@mdedge.com, for additional details.

Split Run

Split run advertisers will not qualify for combination, continuity, or new business/launch programs. Split run insertions do count toward earned frequency and corporate discounts do apply. The Publisher (FMC) reserves the right to circulate a targeted advertisement to an audience greater than the contracted demographic/targeted list, unless specifically noted on the insertion order.

⦁ **RUN-OF-BOOK:** See rates, page 4. All rates are commissionable. List match and other demographic rates are calculated by multiplying the percent of circulation being targeted (minimum of 60%) by the earned rate for the full run only. There is an additional commissionable mechanical charge of $3,780.

⦁ **INSERTS:** All rates are commissionable. List match and other demographic rates are calculated by multiplying the percent of circulation being targeted (minimum charge is 60%). There is an additional commissionable mechanical charge of $1,930.

Covers, Positions

Sold annually on a contract basis to individual advertisers. Space premiums are charged on the black-and-white earned rate (color charges are then added). Cancellations of less than 60 days written notice will incur a fee equal to the cost of the premium for 1 month.

REPRINTS / ePRINTS

Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave behinds, new product launches, formulary kits, and much more. They are a welcome educational service to physicians, nurses, pharmacists, and other health care providers. Reprints/ePrints help your sales force speak to clinicians with knowledge and relevance. We can also recommend related articles to create a comprehensive review package for your customers. Reprints of articles and custom reprints are available.
