

# Dermatology News

## MORE WAYS TO REACH YOUR AUDIENCE

For over 50 years, *Dermatology News* has been the leading independent newspaper for medical, surgical, and aesthetic dermatology. Readers rely on *Dermatology News* for specialty-specific news and insightful physician commentary presented in a clear, concise, accessible format that can be used daily in practice. *Dermatology News* is published monthly and circulates to more than 15,000 dermatologists, dermatologic surgeons, procedural dermatologists, dermatology nurse practitioners, and physician assistants. All articles are researched, written, and produced by professional medical journalists.

Daily news updates and commentary from *Dermatology News* can be found online at [mdedge.com/dermatology](http://mdedge.com/dermatology). This site provides even more specialty-specific news and views organized by clinical “specialty focus” topics in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, videos, a weekly podcast, and special reports are immediately accessible online and through e-blasts and newsletters. Dermatologists can join the conversation by commenting online at the site, and by sharing articles via social media, including Facebook and Twitter. *Dermatology News* is the best way for dermatology specialists to stay current, save time, and gain perspective.
