2018 ADVERTISING RATE CARD

PUBLISHER'S STATEMENT

For more than 40 years, *Emergency Medicine*® has been the only practical, clinical publication for the specialty, reaching office- and hospital-based physicians in emergency medicine. *Emergency Medicine*® provides state-of-the-art review articles with hands-on information in a precise, reader-friendly format. The *Emergency Medicine*® web site, part of the MDedge™ web portal, is more than just an online portal to the digital publication's review articles, case studies, and departments. The site offers daily news from on-site coverage of medical conferences, journals, guidelines, specialty societies, and the FDA and CDC. Our practice economics articles cover regulatory, specialty, and health care reform issues that affect how emergency physicians practice. MD-IQ quizzes round out the interactive offerings. E-newsletters are a practical tool for alerting emergency physicians to what's new and relevant to their practice.

REPRINTS/EPRINTS

Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave behinds, new product launches, formulary kits, and much more. They are a welcome educational service to physicians, nurses, pharmacists, and other health care providers. Reprints/ePrints help your sales force speak to clinicians with knowledge and relevance. We can also recommend related articles to create a comprehensive review package for your customers. Reprints of articles and custom reprints are available.
