

## Family Practice News

### MORE WAYS TO REACH YOUR AUDIENCE

For 47 years, *Family Practice News* has been the leading independent newspaper for the family physician. With news in perspective and insightful commentary—in a clear, concise, accessible format—*Family Practice News* keeps busy physicians up to date on clinical advances that impact their daily practice of medicine. *Family Practice News* is published 12 times per year and circulates to more than 96,000 family physicians and related subspecialists. All articles are researched, written, and produced by professional medical journalists.

*Family Practice News* can be found online at [www.mdedge.com/familymedicine](http://www.mdedge.com/familymedicine). This site is updated daily with specialty-specific news that includes Views on the News—expert clinician commentary on how the news affects medical practice. The site also features commentaries on key clinical and regulatory issues, physician-written columns, MD-IQ quizzes, and Clinical Edge summaries offered in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, videos, podcasts, and special reports are immediately accessible online and through e-blasts and newsletters. Family physicians can engage online by commenting on articles, contacting editors, and sharing articles via social media such as Facebook and Twitter. *Family Practice News* is the best way for family physicians to stay current, save time, and gain perspective.
