FRONTLINE MEDICAL COMMUNICATIONS
CORPORATE DISCOUNT POLICIES & COMBINATION BUYS

CORPORATE DISCOUNT
Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from Frontline Medical Communications (FMC) in 2019. Full year 2018 NET spend with FMC will establish the minimum discount levels for all advertising purchased in 2019. All manufacturer promotional spend will be credited towards the corporate level, including electronic and print advertising, reprints and programs (non-CME). Discounts will be applied to print advertising only purchased in regularly issued FMC professional publications. The FMC Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts). Spend levels and associated discounts are listed in the graphic on the right.

EARNED FREQUENCY
Rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page (e.g. a spread counts as 2 units; a king page or fraction counts as a page). Each page of an insert counts as a unit. Each demographic/regional/split page counts as a unit. Insertions of parent companies and subsidiaries are combined to determine the earned rate. Co-marketed products may select the earned frequency discount of either company.

CORPORATE FREQUENCY DISCOUNT PROGRAM
Earned frequencies are determined by the number of pages in all FMC publications to provide maximum frequency discounts to advertisers, regardless of size. When number of insertions is greater or less than indicated by contract, rates are adjusted accordingly. (All FMC publications have the same frequency levels through the 240x. JFP, FPN, IMN, and CCJM extend to 396x.)

REPRINTS/EPRINTS

Reprints are a basic necessity for medical meetings, conferences, and exhibit booths. They are a valuable tool for direct mail, press kits, sales force education, sales calls, leave behinds, new product launches, formulary kits, and much more. They are a welcome educational service to physicians, nurses, pharmacists, and other health care providers. Reprints/ePrints help your sales force speak to clinicians with knowledge and relevance. We can also recommend related articles to create a comprehensive review package for your customers. Reprints of articles and custom reprints are available.
