

ID Practitioner®

THE LATEST NEWS AND CLINICAL VIEWS
idpractitioner.com

ID Practitioner is an independent news source that provides infectious disease specialists with timely and relevant news and commentary on clinical advances as well as business and regulatory issues that impact their daily practice of medicine. The site is updated throughout the day with specialty-specific news and commentaries, physician-written columns, MD-IQ quizzes, and Clinical Edge summaries. ID Practitioner keeps busy clinicians up to date.

ID Practitioner provides medical specialty news coverage tailored to the needs and interests of infectious disease specialists. Our medical journalists strive to provide news that is fair, balanced and accurate. We adhere to policies of fact verification and disclosures of interest by sources quoted in our articles. We encourage a lively forum of perspectives and opinions from our online communities. We seek to inform, engage, educate, and entertain.
