

Internal Medicine News

For 49 years, *Internal Medicine News* has been the leading independent newspaper for internal medicine. With specialty-focused news and insightful commentary — in a clear, concise, accessible format — *Internal Medicine News* keeps busy physicians up to date on clinical advances that impact their daily practice of medicine. *Internal Medicine News* is published 12 times per year and circulates to more than 107,000 general internists and related subspecialists. All articles are researched, written, and produced by professional medical journalists.

Internal Medicine News can be found online at www.mdedge.com/internalmedicine. This site is updated throughout the day with specialty-specific news that includes Views on the News — expert clinician commentary on how the news affects medical practice. The site also features commentaries on key clinical and regulatory issues, physician-written columns, MD-IQ quizzes, and Clinical Edge summaries offered in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, videos, podcasts, and special reports are immediately accessible online and through e-blasts and newsletters. Physicians can engage online by commenting on articles, contacting editors, and sharing articles via social media such as Facebook and Twitter. *Internal Medicine News* is the best way for physicians to stay up to date, save time, and gain perspective.
