

Rheumatology News

Rheumatology News is the leading independent newspaper for the practicing rheumatologist. With specialty-focused news and insightful commentary—in a clear, concise, accessible format—*Rheumatology News* keeps busy rheumatologists up to date on clinical advances that impact their daily practice of medicine. *Rheumatology News* is now published 18 times per year (twice monthly in March, April, May, September, October, and November) and circulates to over 7,500 rheumatologists and selected primary care physicians. All articles are researched, written, and produced by professional medical journalists.

Rheumatology News can be found online at www.mdedge.com/rheumatology. This site is updated throughout the day with specialty-specific news that includes Views on the News—expert clinician commentary on how the news affects medical practice. Award-winning daily news coverage, columns and commentaries, videos, podcasts, and special reports are immediately accessible online and through e-blasts and newsletters. Rheumatologists can join the conversation through commentary, Facebook, and Twitter. *Rheumatology News* is the best way for physicians to stay up to date, save time, and gain perspective.
