

Vascular Specialist

MORE WAYS TO REACH YOUR AUDIENCE

Vascular Specialist is the official publication of the Society for Vascular Surgery and is produced in partnership with Frontline Medical Communications. More than 5,100 vascular surgeons, interventional cardiologists, vascular and interventional radiologists, and other vascular medicine specialists rely on *Vascular Specialist* to cover the world of vascular surgery with breaking news, on-site medical meeting coverage, and expert perspectives both in print and online. Since 2005, *Vascular Specialist* has provided independent reporting focused on keeping vascular specialists up to date on the latest developments that influence patient treatment and care and our news from SVS section keeps members up-to-date on educational opportunities, practice trends, and policy initiatives. All articles are researched, written, and produced by professional medical journalists. Online, *Vascular Specialist*, www.mdedge.com/vascularspecialistonline, provides news and views that matter to physicians in a timely and interactive format. Award-winning daily news coverage, columns and commentaries, videos, podcasts, and special reports are immediately accessible online and through e-blasts and newsletters. Physicians can join the conversation through commentary, Facebook, and Twitter. *Vascular Specialist* is the best way for vascular physicians to stay current, save time, and gain perspective.
