RATES & DISCOUNTS

Effective Date: January 1, 2017

- Agency commission and terms: Fifteen percent of gross billings on space, color, cover, and preferred position charges to recognized agencies, contingent on payment within 30 days of invoice date. A finance charge of 1.5% per month will be applied to all past-due invoices.
- Rates subject to change with 90 days' notice: Contracts accepted with the understanding that rates will be guaranteed for 3 months beyond last issue closed. In the event of a rate increase, contracts may be terminated without penalty of short rate.

Earned Rates

- **EARNED FREQUENCY:** Rate is determined by the number of units within a 12-month period (calendar or fiscal). A unit is a page or fraction of a page (e.g. a spread counts as 2 units; a king page or fraction counts as a page). Each page of an insert counts as a unit. Each demographic/regional/split page counts as a unit. Insertions of parent companies and subsidiaries are combined to determine the earned rate. Co-marketed products may select the earned frequency discount of either company.

Incentive Programs

- **CORPORATE FREQUENCY DISCOUNT PROGRAM:** Earned frequencies are determined by the number of pages in all FMC publications to provide maximum frequency discounts to advertisers, regardless of size. When number of insertions is greater or less than indicated by contract, rates are adjusted accordingly. (The *maximum* frequency per publication varies and not all journals have the same frequency levels so earned frequency may vary by publication.)

- **CORPORATE DISCOUNT:** Corporate manufacturers and their subsidiaries will receive a discount on advertising purchased from Frontline Medical Communications (FMC) in 2017. Full year 2016 NET spend with FMC will establish the minimum discount levels for all advertising purchased in 2017. All manufacturer promotional spend will be credited towards the corporate level, including, electronic and print advertising, reprints and programs (nonCME). Discounts will be applied to print advertising only purchased in regularly issued FMC professional publications. The FMC Corporate Discount is applied to the adjusted net cost after all other earned discounts have been applied (see Order of Print Discounts). Spend levels and associated discounts are:

2016 Net Spending	\$150K	\$250K	\$500K	\$750K	\$1.0M	\$1.5M	\$2.0M	\$3.0M+
Earned 2017 Discount	0.50%	1.0%	1.5%	2.0%	2.5%	3.0%	4.0%	5.0%

- **FRONTLINE MEDICAL COMMUNICATIONS COMBINATION BUYS AND MARKETDUOS:** Advertise the same product in the same month in any two or more FMC publications and receive a 7.5% discount off the earned rate in each publication (B&W and color). The PowerBuy™ and PowerBuy2™ discounts (see separate rates) supersede this program; additional discounts are not applied to these publications. PowerBuy™ (*Family Practice News*® + *Internal Medicine News*®) and PowerBuy2™ (*The Journal of Family Practice*® + *Cleveland Clinic Journal of Medicine*®) count as 1 publication. Except for PowerBuy™ and PowerBuy2™, combination discounts are applicable to full-run only.

Evaluate FMC cross market combinations by Media Group in Kantar's MARS Medical System by selecting **Combination Non-Duplicated**. Combinations not currently programmed can be upon request.

Gain maximum specialty reach, duplicated and unduplicated, when you advertise the same product in the same month and surround your ad with the optimal blend of clinical and medical news content and receive a 7.5% discount off the earned rate (B&W and color) in each of these MarketDUOs published by FMC: *The Journal of Family Practice*®+*Family Practice News*®; *Cutis*®+ *Dermatology News*™; *OBG Management*®+*Ob.Gyn. News*®; *Current Psychiatry*®+*Clinical Psychiatry*

CUSTOM CLINICAL QUIZZES

Engage HCPs you wish to target by sponsoring a brief self-assessment study guide. These clinical challenges test HCP knowledge vis a vis their peers while providing a fun, learning environment to showcase your message. All questions are on-label and housed on a branded landing page – with participant scores and new question alerts. Analyses of the answers identifies HCP-specific learning gaps (and subsequent follow-up if desired).

CUSTOM MICROSITES / RESOURCE CENTERS

Frontline has years of experience developing digital assets geared toward healthcare professionals. Specifically, custom microsites often focus on a key therapeutic area to highlight your product's value to your target audience. We design, develop, and build your interactive, multimedia site to be hosted via your URL or one provided by Frontline. The site is accessible via multiple platforms – including mobile – and typically includes MLR-approved and peer-reviewed content.

CUSTOM WEBCASTS / VIDEOS / ROUNDTABLES

We develop branded and unbranded landing pages with audio/video/webcast/virtual or onsite roundtables content conducive to your educational message. The programs feature KOL interviews on topics of relevance (e.g. disease state awareness) and can be developed as a series if warranted. Sponsors can repurpose content in a supplement or as assets for eDetailing. These educational messages are accessible via print, web, mobile and tablet.
